

Sports Nutrition and Entrepreneurship Site Descriptions

2022 Sites Coming Soon!

Boston Celtics

Location: Boston, MA

Positions Available: 1, part-time

Start Date: January 2022

Duration: 12 months

Rotation Provided: Sports Nutrition and Entrepreneurship, Foodservice, Community

In the performance nutrition department at the Boston Celtics, we work collaboratively to enhance the nutrition and performance of each athlete. From our staff, we expect dedication and commitment to overall excellence and teamwork. Applicants must be able to work independently, work in a fast-paced environment, demonstrate customer focus and adapt to different environments. Experiences include development of individual and team meal plans, customizing individual athlete recommendations, and performing high-level culinary skills.

Utah Jazz

Location: Salt Lake City, UT

Positions Available: 2, full-time or part-time

Start Dates: August 2021 and January 2022

Duration: 720 hours

Rotation Provided: Sports Nutrition and Entrepreneurship, Community, Foodservice

In the Performance Nutrition and Culinary Department at the Utah Jazz, we embrace a "we not me" culture and elevate our core values of communication, accountability, coachability, and daily excellence. Our staff works together as a team in a fast-paced environment. As a unit we constant work to elevate our skills to become 1% better every single day. Applicants must understand and value hard work. Experiences include measuring body composition, providing pre- and post- fueling, preparing food, and assessing fueling practices for athletes.

Pittsburgh Pirates

Location: Bradenton, FL

Positions Available: 1, full-time or part-time

Start Dates: September 2021 or May 2022

Duration: 6 weeks

Rotation Provided: Sports Nutrition and Entrepreneurship

The experience provided by the Pittsburgh Pirates is an exciting and diverse experience where interns will participate in a variety of activities including nutrition education sessions, cooking demos, grocery shopping tours and more. Interns will gain experience in working closely with sports medicine and strength and conditioning as it pertains to injury nutrition and return to play. Interns will be immersed in the different cultures that comprise the great game of baseball.

Sports Nutrition and Entrepreneurship Site Descriptions

Duke University Athletics

Location: Durham, NC

Positions Available: 5 (3 fall, 2 spring), full-time

Start Dates: August 2021 and January 2022

Duration: 20 weeks

Rotation Provided: Sports Nutrition and Entrepreneurship, Foodservice, Community

The Duke University team creates a positive work environment, allowing students to get the best possible collegiate sports nutrition experience. You'll experience a very fast-paced environment with a multitude of hands-on learning opportunities and will be part of our team that works together on all levels. Dietetic interns will gain insight into the field of sports nutrition through tasks like team education talks, body composition assessments, one-on-one counseling of athletes, assisting at practice and games, and working fueling stations.

University of Notre Dame

Location: Notre Dame, IN

Positions Available: 2, full-time

Start Dates: September 2021 and February 2022

Duration: 8 weeks

Rotation Provided: Sports Nutrition and Entrepreneurship and Food Service

Within this fast-paced yet fun, focused, and efficient environment, you'll gain an incredible experience as you place yourself in the shoes of a sports dietitian day-in and day-out. At the University of Notre Dame, you'll be working side-by-side with their team delivering team education talks, measuring body composition, managing fuel stations, and providing cooking and food demonstrations.

Location: Fort Myers, Florida

Positions Available: 3, full-time

Start Dates: July 2021, February 2022, May 2022

Duration: 15 weeks

Rotations Provided: Sports Nutrition and Entrepreneurship and Food Service, Community
